GIVE COMPLETE DETAILS IN STEP 2 FOR ALL SELECTED CHECK BOXES OTHER THAN THE "NO TO ALL" CHECK BOXES FOR QUESTIONS 1 - 14 BELOW.

When answering questions on this enrollment application the information provided for each individual should include only information about that individual, and should not include any genetic information. Genetic information includes family medical history and information related to the individual's genetic testing, genetic services, genetic counseling, or genetic diseases for which the individual may be at risk. All responses pertaining to an individual will only be considered and applied to the individual in question.

NOTICE: You must provide truthful and complete answers to the following questions to the best of your ability. We are relying on the information you provide to determine whether you are eligible for coverage. If you are unsure of your current medical condition, we strongly recommend that you ask your current or previous physician(s) to clarify your specific condition. We have the right to review all of your medical records to verify the accuracy of your information during the first 24 months you are covered. However, do not assume we will review all of your medical records before approving your application. If we issue coverage to you and then discover an act, practice, or omission that constitutes fraud or intentional misrepresentation of material fact, we may rescind your coverage, even after it has been issued. This means that you may lose your health benefits including coverage for treatment already received. Rescission may occur even if we review your medical records or seek medical confirmation of your health information as part of processing your application. Even if you currently have health insurance coverage or had prior coverage with Blue Cross and Blue Shield of Georgia, you must fully disclose and answer all health history questions.

Section J – Significant Terms, Conditions and Authorizations (TERMS)

Please read this section carefully before signing the application.

1. **CURRENT HEALTH COVERAGE:** If you currently have health coverage, we strongly recommend that you maintain your current coverage and request an effective date of 75 days from the date of application. This will help ensure that your application is processed before you surrender your present insurance.
2. **I understand that it is mandatory that I notify Blue Cross and Blue Shield of Georgia (BCBSGA) in writing, immediately if I (the applicant) or any other person for whom coverage is sought received medical treatment, advice, care or a diagnosis for any illness, injury or condition after the date I sign this application but before the coverage effective date or the date underwriting approves, whichever is later. I understand that in this situation, BCBSGA has the right to underwrite my application again, using the new information and that, as a result, my coverage/family members' coverage might be delayed or reformed or, for applicants age nineteen (19) and older applying for non-grandfathered coverage and all applicants applying for grandfathered plans, benefits denied due to the illness, injury or condition being treated as a preexisting condition.**
3. I understand that sending my initial premium with this application, and the receipt of my payment by Blue Cross and Blue Shield of Georgia, does not mean that coverage has been approved. I may not assign any payment under my Blue Cross and Blue Shield of Georgia program. I am applying for the coverage selected on this application. I understand that any premium quote provided is preliminary and review of my application by medical underwriting may change the premium or result in a denial of coverage. I understand that, to the extent permitted by law, Blue Cross and Blue Shield of Georgia reserves the right to accept or decline this application, and that no right whatsoever is created by this application. I understand that if my application is denied, my bank account or credit card will not be charged.

10. If the plan I purchase offers a maternity rider, and I purchase that maternity rider, I understand that 1) these benefits apply only to me, my covered spouse or my covered domestic partner and not to any dependent child and 2) these benefits will not begin until after my membership has been in effect for 12 months.
